

5<sup>TH</sup> ANNUAL

# CENTRAL ELECTRONICS BOAT ANCHOR EVENT

**JULY 22—23, 2017**

THE FAMILY OF THE LATE WES SCHUM, W9DYV welcomes the Amateur Radio community to our 5<sup>th</sup> Annual summer gathering in celebration of the contributions that he and his company, Central Electronics, made to the hobby during the early years of Single Sideband.

This year, once again, the event will be held at his estate which is now known as Storybrook Farm, in the Eastern Tennessee community of Jonesborough.

## **STORYBROOK FARM**

In the exhibit arena, owners and operators of radios dating from the late '40s to the early '60s, both commercial and home brew, will be on hand to demonstrate the most rare and unique examples of technology from those times. There will be technical workshops (including the restoration of vintage equipment), discussions of the history of radio manufacturers and the people that made these radios. Additionally there will be a special event station set up with QSL cards available.

Space permitting, operators in the exhibit area are welcome to offer some vintage equipment for buy/sell/trade. For all those not invited to display equipment in the exhibit area, entry fee will be \$10.

Central Electronics*

*CE/Collins Dream Station*

Adjacent to the arena, a grassland of about 10 acres is available for a free tailgate swapfest. Participants are informed by way of this paragraph that no services other than port-a-can(s) will be provided. However, depending on significant attendance, a food truck on the grounds or other arrangements may be possible.

Anyone wishing to participate as a demonstrator in the exhibit arena will require the prior invitation and approval of Mr. Nick Tusa, K5EF. [nick.tusa@tusaconsulting.com](mailto:nick.tusa@tusaconsulting.com)

To insure that all tailgaters have a place, and to enable planning, those wishing to tailgate are requested to email Lynn Fisk, K5LYN. [k5lyn@arrl.net](mailto:k5lyn@arrl.net)
